

Welcome to Year 1! This learning snapshot will give you information about what your child will be learning this term in key subject areas, as well as upcoming events. Please take the time to read through and direct any questions to your child's classroom teacher.

Excursion: Friday 18th October - Ngutana-Lui

What are we learning this term?			
English	In this unit, students will create texts that show understanding of the connection between writing, speech and images by retelling a traditional or cultural story.		
Mathematics	<ul> <li>In this unit, students apply a variety of mathematical concepts in real-life, lifelike and purely mathematical situations.</li> <li>Students will:         <ul> <li>Classify outcomes of simple familiar events.</li> <li>Complete simple additions and subtractions using counting strategies.</li> <li>Partition numbers using place value.</li> </ul> </li> </ul>		
<b>Science</b> (Apryl Albon)	The Look! Listen! unit is an ideal way to link science with literacy in the classroom. It provides opportunities for students to investigate sources of light and sound, how they are produced and how light and sound travel. Students' understanding of the role of light and sound in our lives and our community will be developed through hands-on activities. Through investigations, students explore why we have two eyes instead of one.		
HASS	In this unit, students investigate and describe the features of places and describe how places are cared for. Students will represent the location of different places and their features on labelled maps and use everyday terms to describe the features of environments		
HPE (Ben Ellis)	In this unit, students demonstrate positive ways to interact with others. Students develop fundamental skills to play popular Australian and International Sports. Students will have opportunities to work in pairs and small groups to play strategic games, using movement skills developed. Students identify how emotional responses impact on others' feelings. They select and apply strategies to keep themselves healthy and safe and are able to ask for help with tasks or problems. Students describe changes that occur as they grow older.
