## Use of Personal Information

We collect, store, and use personally identifiable data strictly for:

Processing and delivering photo orders and related products, including school administration systems.

Managing order details and customer service inquiries.

Providing updates on products and promotional offers.

## How we handle your Information

### Order Processing & Retention

Order envelopes are used solely for processing and fulfilling purchases. Once recorded in our database, they are securely destroyed by **Shred-X**.

### Customer Payments

Payments are processed through **Web Active Corporation Pty Ltd (Eway)** ([eway Privacy Policy](#)). **advancedlife** Pty Ltd does not store or access customer payment information. All payment gateways comply with PCI standards.

### Data Storage & Security

**advancedlife** Pty Ltd securely stores student, customer, and guardian information within **Australia**, accessible only to authorised personnel.

All customer data and photographs are stored on **secure Australian-based servers**.

Our **dedicated image storage servers** are backed up across two private sites in Sydney, with restricted access.

Data centres are protected by **enterprise-grade firewalls and advanced virus protection**.

### Image and Data Retention

**Images are stored indefinitely** for parental access, regardless of order history.

Images required for **school administration systems** are retained as per contractual obligations and in compliance with **NSW privacy laws and the State Records Act 1998**.

Parents can request image removal via [our contact page](#).

### Use of Student Images and Data

**advancedlife** Pty Ltd **does not use images or data** collected from schools, parents, or students without explicit written consent from:

**Schools** – Authorised by a designated school representative.

**Parents** – Only the data owner may grant permission.

**Students** – The legal guardian, or the student if aged 18+.

Photo gifting products (e.g., lunch box labels, coffee mugs) are fulfilled by **Photo Create Business Direct** ([Privacy Policy](#)).

If you have any questions or concerns at any time about our use of your personal information, please **contact us**.
